Congratulations! ... Nice Choice!

You are now the owner of a Bertucci® Performance Field Watch™. You have something special because every Bertucci® Watch has been carefully designed, made from only the best materials, and loaded with premium features. Additionally, Bertucci® Watches are backed up with an industry leading 3 year warranty. This is the basis for our Promise of Performance™ to you. Please carefully read this manual to familiarize yourself with your new Bertucci® Watch. Please contact us with any questions you may have. Contact information is in section 15.

Thank You!

Our Story – Your Watch:

Our story is simple... It’s about building a better watch. It’s a Promise of Performance™ to you that is derived from a belief that innovative design and attention to detail matter. It is this focus, passion, and integrity that drives us in the watches we make for you.

If you were to own only one watch... it would be a watch well suited for your life’s endeavors. It would reflect your integrity that drive us in the watches we make for you.

6 Water Resistance:
Your Bertucci® Watch has been carefully designed and tested to be used in water: 98 P.S.I.A., 160 P.S.I.A., or 320 P.S.I.A. (equals immersion to 50 meters/164 feet, 100 meters/332 feet or 200 meters/656 feet below sea level) if crown is pushed in or screwed down. See case back and/or dial for the water resistance of your watch.

1. Never adjust crown (setting knob) when watch is wet or submerged in water.
2. Never wear the watch unless the crown is completely screwed down or pushed in.
3. The watch is water resistant only as long as crystal, crown and case are intact and undamaged.
4. Your Bertucci® Watch has been designed to be worn during activities in which the watch will be exposed to water and submersion in water. However, the watch is not a professional diver watch and should not be used for diving.

8 Care for your Bertucci® Watch:
1. Never wear your watch unless the crown (setting knob) is completely screwed down or pushed in.
2. We recommend rinsing your watch and band with fresh water after exposure to salt water, chlorinated water, chemicals, soil loads or dust.
3. Never adjust crown when watch is wet or submerged in water.
4. Keep watch clean and free of debris. Use mild hand dish soap & warm water with a soft brush to clean. Note: Keep setting crown screwed down or pushed in.
5. Replace band if excessively worn, see Replacement Bands in section 7.
6. If watch has stopped, bring it to a local professional jeweler for battery replacement or contact us for battery replacement service. See Battery Information in section 10.
7. Do not expose your watch to intense magnetic fields and vibration such as loudspeakers and other electromagnetic devices.
8. When setting your watch, handle the crown gently as this is a precision device.
9. Do not subject your watch to severe impact, avoid dropping.
10. If watch is not in use for an extended time period, unscrew and/or pull crown out, stopping second hand, to conserve battery life.

9 Warranty:
Every Bertucci® Watch is carefully designed, manufactured and inspected to ensure it meets our Promise of Performance™ to you. This is backed up by a 3 year warranty. In the event of a malfunction, please follow these steps.

Step 1 Determine whether your watch is in warranty. If your watch is in warranty, please follow the remaining steps. If it is NOT in warranty, please refer to our Repair & Refurbishment program below and/or our web site: bertucciwatches.com.

Step 2 Determine whether your watch has been abused. If not abused, please follow the remaining steps. If the watch is abused please refer to our Repair & Refurbishment programs and/or our web site.

Step 3 Please have the battery checked by a local professional jeweler or consider our Battery & Band replacement program in section 10 and our web site. Most malfunctions are simply battery related. If the battery is good, and watch is still not functioning correctly, please follow next Step 4.

Step 4 Please return the defective watch (just the watch head, remove the band) to the retail dealer or send it to us for exchange or repair. Please use the Warranty Form (PDF download available on our web site: bertucciwatches.com) or include a note with the same information.

Send the malfunctioning watch to:

Bertucci
3 Day Warranty
C/O Warranty Dept.
P.O. Box 7520
Gurnee, IL 60031 USA

Please contact us at any questions at 866-665-7327 or email us at askenzo@mhbertucci.com.

10 Battery Information:
Bertucci® watches use environmentally friendly mercury free batteries. Batteries should be replaced by a professional jeweler or use the Bertucci® Battery & Band™ replacement program listed below... which offers an outstanding value on a new battery & band for your Bertucci® Watch. Please visit our web site bertucciwatches.com for more information. Do not attempt to remove the case back as it requires special tools and skills. Proper replacement of batteries is critical to ensure the long life of your Bertucci® Watch. Actual battery life may vary based on environmental factors, normal battery variance, and usage pattern.

BATTERY & BAND™ SERVICE: Send your watch (remove the band) to our service center and we will perform the battery and o-ring replacement and/or lubrication, clean and test the watch, and send it back to you with the new band of your choice at a special price.

11 Register Your Watch:
See web site to register your watch.

13 Thank You!
Thank you for wearing a Bertucci® Performance Watch.™ You’ve made an excellent choice. You’ll be pleased with your Bertucci® watch for years to come. Please retain this manual for future reference.

14 Face Every Minute® In The Field With Bertucci®
We would like to hear from you, so please send us your stories, testimonials, adventures, or experiences you’ve had wearing your Bertucci® Watch. Please let us know of any questions or comments you may have.
